Test Information

Deep Springs requires that you take either the SAT or the ACT. You should take these tests well before the January 15 deadline for Part II of the application. Deep Springs will consider results from SAT II, AP, or IB tests, but they are not required. Please submit only your highest scores. Official score reports are required for Part II of the application.

Essay Section

Please prepare thoughtful and well-organized essays in response to the items below. We are interested in who you are and how you think. The combined word total for all three essays should be approximately 2500 words. Please type your application, number your essays, and separate the sections of your application using paper clips, not staples. Submit two copies of the entire application to the Applications Committee, and keep a third copy for yourself.

1. **Tell us about yourself.** Discuss the most influential aspects of your experience and environment.
2. **Discuss a problem, theory, or idea that has had a profound influence on your thought.**
You may draw from any source, but please do not submit a research paper or something you have written for class.
3. **What is the nature of your interest in Deep Springs?** Please limit your response to this question to 500 words of the total 2500.

Additionally, please provide two copies of the following:

- a. A list of the books you have read in the past year, indicating those you have read for class assignments.
- b. A list of your favorite books, and a very brief description of their importance to you.
- c. A list and very brief description of your activities, in the order of their importance to you.
- d. An official transcript of your academic record.
- e. Any other information you feel would help the committee understand your application.

The essays, book lists, transcript, and this completed form comprise Part I of the Deep Springs Application for Admission. Please postmark no later than November 15. There is no application fee.

Your signature below confirms that all the information you have provided in this application is complete, accurate, and your own work.
